

CANDIDATE BIOGRAPHY OF **ANTHONY PISCITELLI**

MA, PhD, ACCUD, ICD.D

Anthony Piscitelli is currently serving as a Director and Chair of the Board of Your Neighbourhood Credit Union (YNCU). He is also the Director of the Conestoga Social Innovation Lab, a research center focused on supporting community organizations solving tangible real-world problems. His research here focuses on non-profit and cooperative board governance, impact evaluations, and social finance. Before joining Conestoga College, he spent fifteen years working in government and the non-profit sector.

Anthony holds a Doctorate in Geography and a Masters in Political Science from Wilfrid Laurier University. He is certified as an Institute of Corporate Directors, Director (ICD.D) and an Accredited Canadian Credit Union Director (ACCUD).

In his time with YNCU, Anthony has focused on ensuring the board functions according to best practices in governance. He is proud of the collaborative relationship built between the board and staff, which has led to a financially stable organization that effectively serves members' needs. Having served as Chair during the recent hiring process, he is seeking a final term to continue to support the organization through this time of transition.

When Anthony is not focused on his professional responsibilities, he enjoys coaching basketball for his children, Franklin and Grace. He is especially grateful for his wife Crystal's continued support and patience, which makes his involvement in YNCU possible.
