

CANDIDATE BIOGRAPHY OF

NIK LEMIEUX

Since 2014, I have owned Mirabel Management Inc. which focuses on strategic and tax efficient planning, accounting and bookkeeping for individuals and businesses. I am also the CFO and governor of Atletico Ottawa, the professional men's soccer club in the Canadian Premier League.

I have worked with a multitude of industries, such as mining, entertainment, hospitality, and financial services. In the last five years, I have expanded my interests into working with hospital foundations such as the Bruyere Foundation and CHEO to expand on strategic philanthropy.

Most recently, I have started working with municipalities in Ontario to assist with making affordable housing more accessible to those in need.

When I'm not working, I enjoy spending time with my family in our Westport home, traveling and being on the water.
