

CANDIDATE BIOGRAPHY OF

SHAWN P. STEMMLER

I am an accomplished accounting and tax professional with more than two decades of experience serving individuals, corporations, trusts, and non-profit organizations. As Vice-President and Partner at Premier Professional Accountants, I provide comprehensive tax preparation and planning, CRA audit support and accounting services to a diverse client base, drawing on an extensive background that includes leadership roles in various organizations.

My expertise spans personal and corporate taxation, the Income Tax Act, Excise Tax Act and advanced tax software systems. During my career I have also handled a large number of cases with CRA Audit and Review Assistance both through my own corporation as well as my employment with Intuit Canada.

I am committed to continuing education and I am currently an associate member of the STEP Society of Canada, where I am pursuing my Trust and Estate Planning (TEP) designation. My academic background includes coursework in accounting, tax, business law, and multiple IT certifications.

Beyond my professional accomplishments, I have been an active community volunteer, contributing to local sports organizations, youth coaching, and long-standing seasonal initiatives. I bring a strong work ethic, exceptional communication skills and a passion for helping others navigate financial complexity to every role that I undertake.
