STEPHEN MCDERMOTT

**Bachelor's Degree, ICD.D, Government of Canada
accreditation in Organization Design and Analysis**

I am honoured to be nominated for election to the YNCU Board of Directors. I have served on the Comtech Fire CU board for approximately 12 years and I was instrumental in orchestrating the merger between Comtech and Fire Services. I have served as the Chair of all CFCU committees except the Audit Committee of which I was a member.

I am an Senior HR Advisor to numerous Government Departments. I advise on organizational issues up to the Deputy Minister Level.

I am the Special Advisor to the CEO of Yorkville Asset Management Board and Chair of their Business Advisory Group for the last 10 years.

i believe in the giving back to the community and I have been a corporate sponsor for the kidscome1st golf tournament for the last 20 years. This organization provides financial help for families with autistic children.

I am the Vice Chair of 100 Men Who Care Ottawa which is an organization that supports small, local charities whereby our donations allow them to continue operations. To date we have helped raise \$324,000.

I have been the President of SJM Consulting providing HR services to numerous government and private sector clients. I am partners with my daughter in McDermott Guitars that buys, and collects guitars.

Currently I am in the process of becoming a fractional President of Seven Seals Canada, a Swiss company that manufactures and distributes spirits in Canada.
