WELCOME TO THE
NEIGHBOURHOOD

It's not what you make. It's what you make of it.

Whether you're just starting out or hoping to retire soon, it pays to have a clear financial plan you can stick to. How you define "wealth" is entirely up to you. It's our job to get you there.

Say goodbye to set-it-and-forget-it financial planning. Every member has access to one-on-one support, personalized solutions and a wealth of investment options to help you grow.

Honest Money

In the Neighbourhood, we believe that the best financial advice is the truth. This means taking an honest look at how you're doing, where you hope to be, and what it will realistically take to help you get there.

Personalized Planning

We're not talking about some cookie-cutter financial plan here. Because no two people are alike, we believe every financial plan should reflect that. So we work together to better understand your needs and goals, and we craft a plan that's uniquely yours.

Transparent Results

Because every member is also an owner, your bottom line is our bottom line. We continuously monitor and optimize your portfolio, we provide account statements that clearly show how you're doing, and we always put your growth first.
